

Filey C. E. V.C. Nursery & Infant School

Padbury Avenue, Filey, North Yorkshire YO14 0BA

Headteacher: Mrs Denise L Crosier

19th January 2017

Dear Parents/Carers

E-safety - do you know what your child is doing with their computer/tablet/mobile?

As we increasingly use ICT in school we are also raising pupil's awareness of keeping themselves safe online.

Every classroom displays the following e-safety questions and teachers talk to their class about keeping themselves e-safe.

Questions

What sort of technology do we use?

Why might it be unsafe to use technology?

How can we stay safe and not be afraid when using technology?

What should we be aware of to stay safe when using technology?

What can we do to keep ourselves safe online?

We are now running a e-safety poster COMPETITION in each class which will be judged on Safer Internet Day 2017 (Tuesday 7th February). Please encourage your child to design their poster and bring it to school by Friday 3rd February.

At the end of summer term 2016 North Yorkshire Local Authority conducted a survey of e-safety across all Year 2 pupils within North Yorkshire schools. Each school's responses were analysed individually.

In our school 97% of our Year 2 pupils responded that they use a computer, tablet or mobile device at home.

88% of our pupils responded that they play games on their device.

53% of our pupils responded they go online/internet but only 59% of those pupils responded that the adults know what games they are playing.

Tel: 01723 513077 Fax: 01723 518510 www.filey-inf.n-yorks.sch.uk Email: admin@filey-inf.n-yorks.sch.uk

Only 31% of pupils in our school responded that the adults know what they are looking at online at home.

Please ensure that you are aware of and monitor your child's activity to ensure their e-safety.

We look forward to displaying the children's posters around the school.

Yours faithfully

Mrs D L Crosier

Headteacher
